

*order matters*

for 3 or more people

read at least 2 lines from each section (delimited by an extra line break)

at any point, one may substitute reading a line (or several lines) of the text with one of the following actions:

- a (quasi-)continuous sound with or without a distinct pitch or set of pitches.
- a short percussive sound quickly repeated at an individual tempo with respect to any other quickly repeated sounds that may already be occurring.
- a rearrangement of physical objects where each object is mapped to a word in the text.

clear; not loud.
